### **Breaking Bad Behavior:**

#### **Drugs, Alcohol, Medical Marijuana, Cigarettes, Cursing, Social Media, Attire, Tattoos, Piercings, Missing Underwear, Body Odor, Etc.**

Long gone are the days of Miss Manners and etiquette classes that provided a common means for respectful interaction within society. Self-centered behavior and inaccurate beliefs about “rights” abound among employees. Employees often come to work with an attitude of personal freedom that frequently is at odds with employment policies. Nose rings, medical marijuana, and sexting are considered “rights.” This seminar addresses an employer’s rights to prohibit inappropriate conduct and maintain the work environment best suited to the employer’s needs.
