

Fisher Phillips Breakfast Briefing In Los Angeles-Taking the Bully by the Horns: Understanding and Preventing Workplace Bullying

Event

10.02.14

Join us every first Thursday of the month for breakfast and a discussion on hot HR topics. This complimentary event is a great opportunity to network and talk with other HR professionals and our lawyers in an informal and collaborative setting to get the information you need to stay in the know.

Taking the Bully by the Horns: Understanding and Preventing Workplace Bullying

From NFL locker rooms to office break rooms, one look at recent headlines makes clear that cases of adult-to-adult bullying in employment settings are increasing nationwide. The quintessential playground bully is all grown up and continues making life miserable for others. If adult bullying is ignored, employers may not only lose good employees victimized by the bully, but find themselves the target of potential claims ranging from harassment and negligent supervision to infliction of emotional distress. It is imperative that employers identify and manage adult bullying and implement proper company policies to address adult bullying behavior.
