Keeping Discipline and Termination "N.E.A.T." and "C.L.E.A.N"

Let's face it, disciplining and terminating employees can be a messy and unpleasant experience. If you are a manager, you've in all likelihood had to deal with these difficult situations at least once in your career. Many employment litigation suits filed are by disgruntled employees who felt they were "wrongfully terminated" regardless of the reason. In our presentation, we will discuss how to avoid these situations by using a "N.E.A.T." and "C.L.E.A.N." method of discipline and discharge sure to save you headache AND heartache.
