THE PAPER TRAILHEAD: CREATING AND IMPLEMENTING EFFECTIVE HR POLICIES

Event

Mar 19, 2015

Please join Fisher Phillips the third Thursday of every month for breakfast and a briefing on a hot HR topic.

This complimentary event is a great opportunity to network and talk with other HR professionals and our lawyers in an informal and collaborative setting to get the information you need to stay in the know.

There is no cost to attend this briefing.

The Paper Trailhead: Creating and Implementing Effective HR Policies

Up-to-date, well written HR policies are an important tool to communicate expectations, guide decision making, avoid disputes, and defend against claims. By the same token, out-of-date, poorly written policies can cause confusion and disagreements, even litigation. In this briefing, we will review important considerations that you should take into account when creating, updating and implementing employee handbooks and other personnel policies. Attendees will learn:

- How to draft and implement the most important and needed policies;
- Which policies cause the biggest headaches and how to fix them; and
- How to determine when policies require revision.
