Human Resources & Employment Law Certification Academy

The South Fulton Chamber of Commerce, Fisher Phillips and Club e are pleased to present the 2015 Human Resources & Employment Law Certification Academy. This seminar series is designed for business owners, managers and supervisors who must deal with real life workplace issues that have real legal consequences.

The Human Resources & Employment Law Certification Academy is a series of seminars designed to provide professionals timely, updated information on the important legal topics relevant to their business and other important workplace legal developments.

All programs are approved for HRCI re-certification credit. Attendees will receive proof of attendance certificates to confirm they have received relevant training. Businesses benefit from a trained workforce, which increases productivity and decreases a company's liability for employment law litigation.

Sex, Lies & INVESTIGATE THIS!!!

Driven by video vignettes, this session reviews and dissects a workplace sexual harassment complaint that comes from an under-performing employee who was in the midst of being counseled. The counseling session takes a turn when the employee complains that she was sexually harassed by her manager and that the manager had been retaliating against her when she eventually rejected his advances. Watch and learn as the investigation unfolds and the human resources manager ultimately brings it to a close after navigating through a variety of unexpected twists and turns.
