Human Resources & Employment Law Certification Academy

The South Fulton Chamber of Commerce, Fisher Phillips and Club e are pleased to present the 2015 Human Resources & Employment Law Certification Academy. This seminar series is designed for business owners, managers and supervisors who must deal with real life workplace issues that have real legal consequences.

The Human Resources & Employment Law Certification Academy is a series of seminars designed to provide professionals timely, updated information on the important legal topics relevant to their business and other important workplace legal developments.

All programs are approved for HRCI re-certification credit. Attendees will receive proof of attendance certificates to confirm they have received relevant training. Businesses benefit from a trained workforce, which increases productivity and decreases a company's liability for employment law litigation.

Performance Management & Termination

Performance management is the one of the most challenging areas for human resource managers to navigate. Effective screening, hiring and disciplining in a positive, constructive way will improve individual employee performance, as well as overall organizational effectiveness. Properly handling the discharge of an employee can avoid costly lawsuits for your company.
