

AutoCPAGroup Spring Meeting - Austin, TX

Event

5.15.15

Dealerships face unique labor and employment legal issues. Matt Simpson, an attorney in Fisher Phillips' Dealership Practice Group and member of the National Association of Dealer Counsel, is well aware of these legal challenges. In his presentation, Matt will provide practical guidance on how to counsel your dealership clients with the following:

- Dealership Employment including compliant handbook policies, safety concerns, and immigration updates;
- Wage and hour challenges such as manager pay plans, minimum wage hikes, and revisions to the overtime exemption regulations;
- Trends in Dealership Employment Litigation and Government Audits
