

Anatomy of an Employment Lawsuit

Event

5.21.15

Please join Fisher Phillips the third Thursday of every month for breakfast and a briefing on a hot HR topic.

This complimentary event is a great opportunity to network and talk with other HR professionals and our lawyers in an informal and collaborative setting to get the information you need to stay in the know.

There is no cost to attend these briefings. Space is limited and attendance will be awarded on a first-come, first-served basis.

Anatomy of an Employment Lawsuit

Human resources can be a difficult field to navigate. Despite your best efforts, there may be times a disgruntled employee or former employee files suit against your company. What do you do when that happens? In this briefing, we will walk you through each step of an employment lawsuit, and provide you with practical guidance to manage the litigation process. We also will discuss “lessons learned” from employment litigation, and how to apply those lessons to reduce your risk of liability.
