Event

5.21.15

Join us every third Thursday for breakfast and a discussion on hot HR topics. This complimentary event is a great opportunity to network and talk with other HR professionals and our lawyers in an informal and collaborative setting to get the information you need to stay in the know. This month:

Interpersonal Relationships in the Workplace

Whether it be romantic relationships, friendships, or enemies, personal relationships are a part of the workplace and can help or hinder the business. Personal relationships also create employment law issues and headaches that every owner, HR professional, or manager may have to navigate. This presentation will focus on common problems that arise from interpersonal relationships in the workplace and the best practices for preventing these issues from escalating into lost productivity, or worse, a lawsuit.
