Are you looking for an opportunity to discuss the most difficult labor and employment issues you face on a day-to-day basis? Do you want to engage in an interactive, in-depth discussion with your colleagues about fact-specific scenarios? This is not your run-of-the-mill lecture from a podium providing an employment law 101 overview. In this quarterly “Bring Us Your Questions” Roundtable/Workshop Series, Fisher Phillips attorneys will facilitate an interactive group discussion tackling some of the trickiest labor and employment issues confronting in-house practitioners today.

Navigating Landmines When Employees Come and Go. Bring Us Your Questions!

Are you frequently called upon to put out fires when your company hires/loses an employee from/to a competitor? These emergencies have a way of popping up at the worst time, and they can be all-consuming. After attending this interactive discussion, you will:

- gain insight about key, concrete steps your company can take to protect its trade secret and confidential information.
- be able to construct a custom step-by-step contingency plan to respond to employee departures including essential “must do” tips.
- learn how to spot and avoid common mistakes made by departing employees so your company does not buy itself a lawsuit when hiring from the competition.
- learn how to minimize the administrative burden of using non-compete agreements in a multi-state environment.

Don't forget to bring us your questions!!
