THE EMPLOYER'S "MUST KNOW" EMPLOYMENT LAW WEBINAR SERIES

Fisher Phillips is pleased to announce the start of a webinar series that consists of bi-monthly segments focusing on the hottest and most challenging labor and employment law issues, in other words, those topics every employer needs to know about. Designed for in-house counsel, human resources professionals, as well as senior managers, these webinars provide participants with an understanding of a particular "hot topic;" how it may affect their businesses; and how to devise and implement solutions to these challenging issues.

Please join Tampa-based employment litigator, Theresa Gallion, for 60-90 minutes of information that will be beneficial to your business. Best of all, the sessions are free, designed to be interactive so you can participate in real time, and you don't have to leave the office. Whether it's lunch time on the East Coast or you're having a late breakfast on the West Coast, join us for these informative and interactive sessions.
