Human Resources & Employment Law Certification Academy

The South Fulton Chamber of Commerce, Fisher Phillips and Club e are pleased to present the 2015 Human Resources & Employment Law Certification Academy. This seminar series is designed for business owners, managers and supervisors who must deal with real life workplace issues that have real legal consequences.

The Human Resources & Employment Law Certification Academy is a series of seminars designed to provide professionals timely, updated information on the important legal topics relevant to their business and other important workplace legal developments.

All programs are approved for HRCI re-certification credit. Attendees will receive proof of attendance certificates to confirm they have received relevant training. Businesses benefit from a trained workforce, which increases productivity and decreases a company's liability for employment law litigation.

Breaking Bad Behavior: Drugs, Alcohol, Medical Marijuana, Cigarettes, Cursing, Social Media, Attire, Tattoos, Piercings, Missing Underwear, Body Odor, Etc.

Long gone are the days of Miss Manners and etiquette classes that provided a common means for respectful interaction within society. Self-centered behavior and inaccurate beliefs about "rights" abound among employees. Employees often come to work with an attitude of personal freedom that frequently is at odds with employment policies. Provocative speech, nose rings, medical marijuana, and sexting are often mistakenly considered "rights." This session addresses an employer's right to prohibit inappropriate conduct and maintain the work environment best suited to its needs.
