Webinar

Event
Sep 10, 2015

THIS WEBINAR WAS ORIGINALLY PRESENTED ON SEPTEMBER 10, 2015.

Attorney Cheryl Behymer will present a 20-minute webinar entitled "EEOC Goes Electronic: FAQs On EEOC's New Electronic Pilot Program."

The Equal Employment Opportunity Commission (EEOC) recently rolled out a pilot program to electronically notify employers of new Charges filed against them. Instead of mailing the Notice of Charge of Discrimination form through conventional means, the EEOC is rolling out a new system that will notify an employer of a pending charge and allow an employer to respond to the Charge through an online portal. This new system is catching a lot of employers by surprise, and has resulted in many questions.

This webinar will address Frequently Asked Questions to aid employers in understanding this new pilot program.
