

Fisher Phillips and Biocom Complimentary Breakfast Briefing - September

Event
9.16.15

Skip coffee with a barista and join Biocom member Fisher Phillips on September 16, 2015 for a complimentary breakfast briefing. Conducting the presentation will be Jim Fessenden, the legal presenter at the last two Biocom HR Conferences.

Topic:

How handbooks are being used against employers, and what you can do about it

The NLRB has begun a campaign of investigations into non-unionized employers, and particularly “white-collar” companies, often by starting with what the Board views as overbroad handbook policies. Plaintiffs’ attorneys have followed suit, and have been successful in discrediting companies by using their own handbooks against them. This presentation will be geared towards identifying the problematic policies, and the best practices for handbook implementation.
