

San Antonio Breakfast Academy with Fisher Phillips

Event

11.19.15

Because there are several important regulatory changes and new federal agency enforcement initiatives in the works right now but not yet finalized, or sufficiently well-defined, we have developed ONE intense morning briefing on Thursday November, 19th.

This interactive Breakfast Academy will help you effectively manage employment-related issues and reduce the likelihood that a process server will invite you to the courthouse. You will hear and see how seemingly minor situations can easily become excruciating and expensive legal proceedings, including jury trials. This training will benefit chief executive officers, chief operating officers, human resources professionals and in-house counsel with labor and employment responsibility. Ask all the questions you may have while attending the program—our experienced attorneys will be there to give you the information you need!
