As a token of our appreciation, Fisher Phillips cordially invites you to a very special wine dinner at Piedmont Driving Club.

Gil Kulers, Piedmont Driving Club's sommelier and maître d', will take us on a journey through *Pinots from Around the World*. We will enjoy Pinot Noir from Burgundy, Oregon, and California while Gil explains the nuances of Old World versus New World.

The Driving Club's chef will craft a Pinot-friendly dinner special to accompany the tasting, but all of your PDC menu favorites will be available as well.

Please submit your RSVP and dietary restrictions to Stacey McReynolds at [smcreynolds@fisherphillips.com](mailto:smcreynolds@fisherphillips.com) or (404) 240-4280 by Wednesday, January 4.
