ADA/FMLA: What You Need to Know

And You Thought Nothing Was Happening In Washington DC Dealing with ADA and FMLA issues has always been a challenge for employers. As the definition of what is a disability expands, is there anyone who ISN'T disabled? When examining essential job functions, isn't attendance ALWAYS essential? How much leave is enough? How do you know the employee really is incapacitated? And if there's no injury, there's no claim, right? We'll answer these and other questions that human resources professionals and business owners need to know.

Date and Time:

Wednesday, May 11, 2016

8:15 a.m - 8:30 a.m.

Registration

8:30 a.m - 10:00 a.m.
