Anatomy of an HR Lawsuit

Presenter: John W. Stapleton

Human Resources can be a difficult field to navigate. Despite your best intentions, there are times a disgruntled employee or former employee may file suit against your company. What do you do when that happens? In this presentation, attorneys from Fisher Phillips will walk you through each step of a human resources lawsuit, and provide you with practical guidance to reduce your risk of liability. Learn the steps to follow to help ensure that you and your company are avoiding the risks of wrongful discharge, discrimination, retaliation and other common employment-related claims.

What's New in Wage-Hour – Are You Ready for the New FLSA Regulations?
