The South Metro Denver Chamber, Roper Insurance and Fisher Phillips, are pleased to present the 2016 Human Resources Academy. These presentations are designed for business owners, managers, supervisors and HR professionals who must deal with real life workplace issues that have real legal consequences.

The Human Resources Academy seminars are designed to provide timely, updated information on important legal topics relevant to employers of all sizes and in all industries. Businesses benefit from a trained workforce, which increases productivity and decreases a company's prospects for being held liable.
