The Houston office of Fisher Phillips presents: *From Start to Finish: Managing Employees Without Finishing at the Courthouse*

The labor and employment attorneys from Fisher Phillips are presenting practical solutions to workplace problems for anyone who manages employees or makes decisions impacting the workplace.

Topics:

- Hire Right: The first step toward lawsuit avoidance is to stay away from employees likely to sue you.
- Pay Right: Lawsuits for unpaid wages are a hot topic. Don't make yourself a target.
- Manage Right: Increase the effectiveness of your coaching and avoid creating Exhibit A for your ex-employee's lawsuit.
- Respond Right: Know the signs when being set up for a lawsuit by employee complaints, and how to be proactively managing the situation.
- Fire Right: An employee's discharge should be the end of the relationship, not the beginning of a stroll down "Litigation Lane."
- That's Hot: Learn all the new ways employers are being found to violate their employees' rights. You'll be surprised!!
