

Implications Of Travel Ban On Georgia's Economy

Event

2.15.17

In the news clip, "Implications Of Travel Ban On Georgia's Economy," featured on GPB News, attorney Kim Thompson comments on how President Trump's travel ban will affect Georgia's Fortune 500 companies and what she advises them to do.

Kim is advising businesses to ask employees the tough questions like, what their national is and where they were born to determine whether it's critical for them to travel outside of the U.S.
