

2017 SBEN (Southeast Benefits Education Network) Annual Education Conference

Event

Academy of Medicine, Atlanta, GA

3.29.17

Matt's topic is Surviving a DOL Audit: How to prepare and what to expect. Increased oversight by the DOL and the IRS has attributed to growing compliance challenges for benefit plan administrators. In recent years the DOL has stepped up audits and companies of all sizes are now susceptible to review. Matt's topic will education the audience on how to be prepared if they get the call!
