

What Employers Need to Know about Severance Agreements and Bonus Plans

Event

Webinar

8.08.17

2:00 PM EST

This webinar will cover what to consider when offering severance agreements or bonus plans.

We will:

- Briefly describe severance agreements and bonus plans
- Generally discuss how federal and state laws impact these arrangements
- Describe how offering severance agreements or bonus plans may affect plan design
- Discuss the impact that these arrangements have on the payroll process and taxation
- Discuss the impact that these arrangements have on benefits such as life and long-term disability
- Discuss how severance agreements or bonus plans interplay with COBRA
- Discuss how offering these arrangements can set a precedent for future employer actions

This 60-minute intermediate level webinar will help employers understand the implications of offering severance agreements or bonus plans.

The presentation will be posted on the [UBA website](#) the day before the webinar.

Register here for the webinar, or use the button at the right.
