The Fisher Phillips Women's Initiative and Leadership Council cordially invites fierce females to Kicks and Cocktails, an evening of self-defense training and empowerment. Professional trainers from Divas In Defense® will provide a fun-filled class complete with pepper spray, and stun gun training, as well as valuable life-saving tools and techniques for protection.

Self-defense training will begin promptly at 6:30 p.m.

October is Domestic Violence Awareness Month. To assist those in need, we are accepting contributions to a local domestic violence shelter. Please feel free to bring unused travel-sized toiletries, gently used clothing, toys, and activities for children. Donations are not required to attend the event.

About Divas in Defense

Divas In Defense® was started by two brothers who witnessed domestic violence first hand. They are now fathers with daughters and significant others in which they've pledged to prevent the violence, which was witnessed by them, against as many women and girls as possible. It is their mission to empower women of all ages with the training and tools imperative to their personal safety and the safety of their families.
