Our presentations are designed for business owners, managers, supervisors, HR professionals, and in-house attorneys who must deal with real life workplace issues that have real legal consequences.

### BREAKING BAD BEHAVIOR

This presentation is a great way to stay on top of regulatory issues that can affect your business as it will answer the following questions:

- What do you do if an employee is badmouthing your establishment or a supervisor online?
- What are the do's / don'ts of a marijuana policy for your employees?
- Are you running a correct Tip Pool and are you up-to-date on the most recent federal changes to tipping and exemption standards?
