

EHS Today's Safety Leadership Conference in Collaboration with Fisher Phillips

DISCOVER THE KEY ELEMENTS OF A WORLD-CLASS SAFETY PROGRAM

Event

The Hilton Atlanta
255 Courtland St. NE
Atlanta, GA 30303

November 28-30, 2017

The top workplace law attorneys at Fisher Phillips, along with their clients and partners, will discuss liability and compliance issues related to workplace safety and health issues. Speakers also will touch on some of the hot topics facing employers, providing guidance about briefing the boardroom about EHS issues and what could place corporate executives and safety professionals at risk for prosecution where workplace safety and health is concerned.

To ensure that the best leadership safety practices are followed on your projects, Attend the 2017 [Safety Leadership Conference](#), scheduled for Nov. 28-30 in Atlanta, GA to hear from other safety professionals on the core elements found in all world-class safety programs around the US.

Why Attend?

- Learn how to implement best practices in your workplace through compelling presentations and panel discussions
- Hear about EHS and Risk Management approaches that can contribute to a safer workplace and reduce workers' compensation costs
- Discover how to implement transformational safety leadership within your own company
- Acquire OSHA compliance guidance
- Improve your knowledge of plant floor safety technology
- Understand the key elements of a world-class safety construction safety program
- Network with other Industry professionals, EHS Today editorial staff, and conference speakers including well known safety professionals, as well as, past and present America's Safest Companies winners.
