8:30 AM - 11:30 AM

Companies in every industry are wrestling with how to respond to allegations of workplace harassment involving the C-Suite and star employees.

Join us to learn about the impact of allegations, identify steps the company leadership can take to manage and respond, and best practices to proactively minimize the occurrence of allegations in the future.

Discussion will include:

- Managing sexual harassment as a subset of workplace bullying
- Applicable law and Human Resources policies
- How to conduct an investigation
- Aligning corporate values and culture
- Reputation management and crisis communications

Presenters:

Sam Lillard, Partner, Fisher Phillips

Mathew Parker, Associate, Fisher Phillips

Lauren Parker, Director of Client Relationships, Peppercomm
