Did you know that heart disease affects more women than men? Or that 64% of women who experience a cardiac event had no previous symptoms? Knowing the risks of heart disease in women and how to prevent it can save you, your loved ones, friends and co-workers.

Fisher Phillips Women's Initiative & Leadership Council cordially invites you to celebrate the beginning of American Heart month with an educational evening filled with great food and drink and a distillery tour.

Space is filling up fast – Please RSVP by Monday, January 18.

We encourage you to take an Uber to and/or from the event – Receive \$5 off your ride the night of the event by using the following promo code: **ezwzpl0**.

Please join us as our guest. There is no cost to attend.
