Massachusetts employers face a new legal landscape for non-compete agreements after Governor Baker signed legislation creating the new law on August 10. To help you get prepared to comply with the new law, please join us for a timely and informative webinar as Partners Cheryl Pinarchick and Jeffrey Dretler conduct a deep dive into the new law and what it means for employers with employees living or working in the Commonwealth.

Our speakers will analyze the new law, provide insight on strategies that employers can use to protect their businesses and address concerns about the future of non-compete agreements within Massachusetts. This program will be of interest to in-house counsel, business owners and senior executives who utilize these agreements to protect their business interests.

The new law goes into effect on October 1, 2018 so now is the time to learn about the law's provisions and requirements.
