

Managing Your Workforce and Legal Update

Event

GoToWebinar

9.18.18

12:00 PM - 1:00 PM EST

Join Theresa Gallion for an informative webinar that will explore how agencies, such as the NLRB, DOL, and EEOC, intend to carry out their plans through rulemaking and regulations. Find out what these agencies have in store for your organization, and how these changes will impact a wide spectrum of employment practices. Theresa will explain how to comply with these new and developing requirements while continuing to manage a quality workforce under challenging economic conditions.

She will also discuss the latest employment laws and hot topic issues providing everything you need to know to protect your organization.
