9:00 a.m. - 11:00 a.m.

Please join us on Thursday, March 28 as Fisher Phillips attorney Anthony Isola discusses common mistakes employers make that lead to lawsuits.

One of the key reasons that employers are sued is wage and hour mistakes and oversights. The presentation will cover some of the primary issues employers need to focus on, such as state and local minimum wage increases, wage discrimination, and wage statements. Attendees will leave with information and tools to audit their organization's wage and hour practices to avoid costly mistakes.

Anthony Isola is an associate in Fisher Phillips' San Francisco office. He represents employers in state and federal courts, as well as before the DLSE, EDD, and other administrative bodies. He advises employers on employee relations, discipline/discharge matters, employee leave laws, handbook preparation, personnel policies, employment contracts and applications, day-to-day strategic advice, and risk management.
