Event

10.17.2019 - 10.18.2019

Washington Marriott Wardman Park
2660 Woodley Rd., NW
Washington, DC 20008

As a Diamond Sponsor of the 2019 Women, Influence & Power in Law (WIPL) Conference, Fisher Phillips would like to extend one of our limited complimentary invitations to you to be our guest October 17-18 in Washington, DC. The WIPL conference offers an opportunity for unprecedented exchange with women in-house and outside counsel. This is not a forum for lawyers to discuss so-called “women’s issues.” It is a conference for women in-house and outside counsel to discuss leadership topics, bringing their individual experience and perspectives on issues of:

- Leadership & Management
- Labor & Employment
- Risk & Crisis Management
- Technology
- Intellectual Property
- Transactions
- Litigation
- Business Partner Strategies

- Career & Professional Development
- Legal Operations
- Regulatory Compliance & Governance

The conference is hosting two exciting keynote speakers:

Day 1 - Attorney General Loretta Lynch, Former Attorney General

Day 2 - Alison Levine, Women's Everest Expedition Team Captain & New York Times Bestselling Author

We are proud to support this event. It already has an amazing group of dynamic in-house and outside counsel female attorneys planning to attend. Fisher Phillips attorneys will be moderating the following panel discussions.

- Employee Regulations and the Workplace of the Future – Michelle Anderson,
- Immigration Compliance for Employers: Form I-9s and Other Employment-Related Immigration Topics – Jocelyn Campanaro

In addition to the conference, we also invite you to be our guest at Fisher Phillips dinner on October 17th at [Lebanese Taverna](#).

We would be honored to have you join us for this amazing conference. Feel free to contact me with questions or click [here](#) for specific conference information. Since we have a limited number of complimentary passes, please let me know as soon as possible if you are interested in attending.
