Fisher Phillips Women's Initiative Leadership Council cordially invites you to attend our end of summer event at The Cooking School at Irwin Street. Join us for a fun evening that will begin with networking with other in-house counsel, appetizers, and wine. Then, we will move into the kitchen where we will learn to prepare a delicious and healthy dish that we'll enjoy as a group.

Do you have an in-house counsel friend from another company that would enjoy this event? This is the perfect opportunity to bring them to a WILC event. If you register an in-house counsel from another company to attend with you, your name will be entered into a drawing for a fabulous gift!

Please RSVP by July. 24 by clicking [here](#) and entering password "fisherphillips" (all lowercase).

You will have the ability to register your guest when you RSVP.

Please contact Tori Spencer at tspencer@fisherphillips.com or 404-240-4280 with questions.

THIS IS A PRIVATE EVENT BY INVITATION-ONLY.
