

An Employer's Guide to Proper Employee Discipline Policies

LUNCH 'N LEARN

Event

Fisher Phillips Los Angeles Office
444 South Flower Street, Suite 1500
Los Angeles, CA 90071

8.08.19

11:45 a.m. – 1:15 p.m.

Thank you for your interest. We have reached capacity. Please contact Sidra Trajcevska at strajcevska@fisherphillips.com to be added to the waitlist.

Join Fisher Phillips attorneys Suzy Lee and Rayan Naouchi on August 8, 2019, to learn the ins and outs of proper employee discipline, including employee coaching, verbal warnings, how to prepare a robust write-up, and whether progressive discipline or termination is necessary.

Employee discipline is often a double-edged sword. It can be the documentation that helps support and/or justify an employer's employment actions and it can often place employees on warning of the need for performance improvement. More often than not, an employee will use the lack of proper documentation, or alternatively, an increase in discipline to support their causes of action for discrimination, retaliation, harassment, wrongful termination, and the like. Accordingly, an employer's knowledge of proper discipline procedures is critical to ensuring both a robust discipline policy and to safeguard itself against potential legal action.

Agenda

11:45 a.m. - 12:00 p.m.
