Dec 10, 2019

3:30 p.m. - 7:00 p.m.

One of your company's employees is transitioning genders over the next year. As an employer, what are your legal obligations before, during and after the transition? Furthermore, are there any leading corporate practices for this process, beyond simply following the law?

Join Fisher Phillips attorneys and ACC NEO for a CLE program that will include:

- Examples of what has been done so far, with feedback on what worked and what didn't
- How employers can turn this into a positive experience for the workplace
- An opportunity for Q+A and hypotheticals from the audience
