2.06.20

12:00 p.m. – 1:15 p.m. CST

Post-Employment restrictions, such as non-compete, non-solicitation and confidentiality agreements, protect Employers from the potential loss of business and improper use and disclosure of proprietary information when employees depart. State Uniform Trade Secrets Laws also protect employers when current or former employees misappropriate or misuse trade secrets. This webinar will provide an overview of Tennessee, Mississippi and Arkansas laws governing post-employment restrictions and trade secret protections while providing guidance to Employers on how to create enforceable agreements.
