9:00 am – 10:00 am PDT

The COVID-19 pandemic resulted in an unfathomably rapid destruction of employment, forcing Human Resources departments to react rather than effectively plan for the impact of these changes. With the “Great Recession” only a decade behind us, taking the time to reflect and learn from that experience may help guide our actions in the coming months.

Plan your next steps as Fisher Phillips Attorneys, [Alden Parker](#) and [Megan Nevin](#) discuss lessons from the past that will position your organization for the future as California gets back to work after COVID-19.
