12:00 - 12:30 PM EDT

Plaintiffs' lawyers have already begun filing lawsuits against employers, asserting various claims raising issues regarding workplace safety, wage and hour compliance, discrimination, and employee privacy. Because laws are rapidly changing and circumstances are continuously evolving, employers are likely to see an increase in labor and employment litigation arising from COVID-19 in the coming months. In this Flash Briefing, we will discuss some of the issues being raised in the first round of COVID-19 litigation.
