CANNABIS INDUSTRY AND LABOR UNIONS: IS YOUR BUSINESS READY TO COMPLY WITH NEW LABOR UNION REGULATIONS?

Event

Jun 9, 2020

11:00 am PDT – 12:00pm PDT

GoToWebinar

Unionization is rapidly taking hold in the cannabis industry. Is your business prepared? Join Fisher Phillips for this groundbreaking one-hour webinar analyzing the state-specific obligations for a cannabis industry employer to follow concerning a labor unions' access to employees, access to employer property, entitlement to employer neutrality during union organizing, and collective bargaining. We will breakdown what Labor Peace Agreements (LPA) are, what they mean for your business, and recommend preventative measures to honor employee choice in remaining union-free.

This webinar will be an excellent resource for cannabis employers who must follow specific labor relations obligations or risk losing their cannabis license. If you're a cannabis retailer, distributor, testing laboratory, or cannabis event organizer, you won't want to miss this free program. Other cannabis industry partners that will benefit from attending are Professional Employer Organizations ("PEOs"), cannabis consultants, and financial investment firms.
